

42nd Annual German Day: Wednesday, April 11, 2018

Parking Information

The Washington University Danforth Campus is situated across from Forest Park and is bounded by Skinker Boulevard to the east, Forsyth Boulevard to the south, Big Bend Boulevard to the west, and Millbrook Boulevard/Forest Park Parkway to the north.

Cars and buses MUST allow students to disembark Mallinckrodt Bus Plaza. Students must not be dropped off at any other location on campus.

Please note the following parking regulations

For schools arriving in BUSES

- Bus drivers should arrive at campus from Skinker and Forsyth, to a reserved bus holding area on Forsyth, before proceeding to turn at Wallace Drive.
- This is for both student drop off AND student pickup.
- Students MAY NOT be dropped off at any other location on campus.
- Due to the limited availability of parking spaces and changes in parking across Washington University's campus, we ask that buses return to your school if at all possible, for the duration of German Day events.
- Buses will be UNABLE to park on campus this year.

For schools arriving in CARS, MINIVANS, or SUVs

- Due to the limited availability of parking spaces on campus, please restrict the number of cars needing to park on campus to the bare minimum.
- Cars, minivans, or SUVs should park in the visitor parking in the Danforth University Center garage.
- You will need to pull a ticket at the garage entrance to gain access and park in a designated visitor space on the first level, or ramp to the second level, and display your pulled ticket on your dashboard.
- We will have validation tickets in the teacher's packet for those of you who indicated you would be coming in anything other than a bus. You will return these along with your dashboard ticket when you exit the garage at the end of the day. **Make sure you park in a designated visitor space!**
